COMPTROLLERS, STATE OF FLORIDA

Nathaniel P. Bemis, commissioned July 23, 1845.

Hugh Archer, ad interim, commissioned August 26, 1845.

N. P. Bemis, commissioned January 2, 1847.

Hugh Archer, ad interim, commissioned July 24, 1847.

Simon Towle, commissioned December 28, 1847.

John Beard, commissioned January 25, 1851.

Theodore W. Brevard, commissioned April 3, 1854.

James T. Archer, ad interim, commissioned November 27, 1845.

T. W. Brevard, commissioned January 24, 1855.

Robert C. Williams, commissioned December 14, 1860.

Walter Gwynn, commissioned May 26, 1863.

John Beard, commissioned January 17, 1866.

Robert H. Gamble, commissioned August 29, 1868.

Clayton A. Cowgill, commissioned January 15, 1873.

Columbus Drew, commissioned January 12, 1877.

W. D. Barnes, commissioned January 13, 1881.

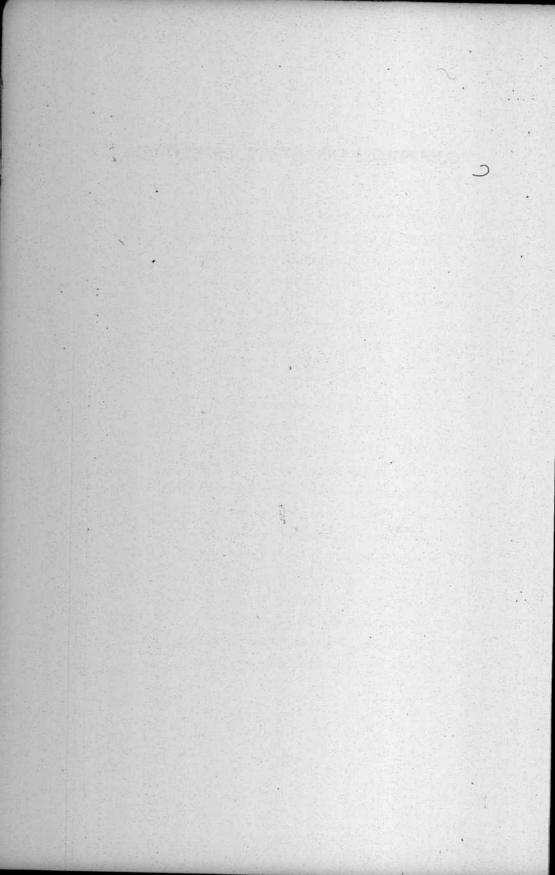

W. D. Bloxham, commissioned May 1, 1890.

W. H. Reynolds, commissioned January 3, 1897.

A. C. Croom, commissioned July 29, 1901.

W. V. Knott, commissioned February 17, 1912.

Ernest Amos, commissioned January 2, 1917.

REPORT OF COMPTROLLER FOR 1922

COMPTROLLER'S OFFICE, STATE OF FLORIDA

Tallahassee, January 1, 1923.

Honorable Cary A. Hardee, Governor of Florida.

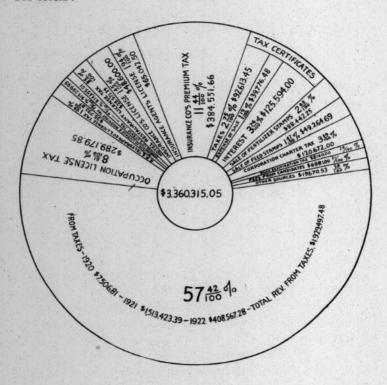

Sir:

Pursuant to law I have the honor to present herewith report of the financial condition of the State, and the operations of this office, for the fiscal year ending December 31, 1922.

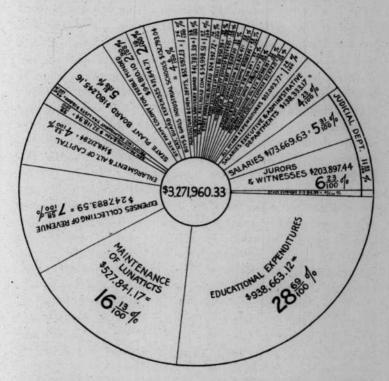

FINANCIAL CONDITION

The State maintained its reputation for meeting its obligations promptly in cash throughout the year and had a cash balance in its operating fund, general revenue, at the close, of \$186,534.36, somewhat below the average for the past five years. The treasury needs a working balance in this fund of at least \$100,000.00 to meet its requirements. Practically all appropriations made by the Legislature are payable from the general revenue fund.

The pictogram below will give the sources, amounts and percentages of receipts of this fund for 1922, which speaks for itself:

From this pictogram it will be interesting to note just how the money was disbursed from this fund in 1922:

Owing to the method of tax collections there are high and low marks in all funds, and as a consequence balances must be built up at some seasons to tide over the lean periods, and those unfamiliar with these conditions are apt to be misled thereby—April, May and June being our flood tide, as it were.

AUTOMOBILE LICENSE LAW

While the present Motor Vehicle Registration and License Law has increased the revenues from this source considerably, the gross revenue for the past year being one million five hundred thousand dollars, it has been difficult and tedious to administer. The administration expense, however, has been held down to a point where the Florida Department compares most favorably with that of other States, though perhaps no other State has a law requiring as much detail to be dealt with. The expense of the automobile department, including the tags, freight, express, postage, clerical help and all expenses incident to the Department, was slightly less than four per cent of the receipts. Reports from some of the other States show that the expense of administering their motor vehicle license departments runs a great deal more than it does in Florida. The State of California, for example, will report for the year 1922, gross receipts from their automobile license department of \$8,384,606.40, with expense of \$749,676.64, making a comparison of expenditures against gross receipts of 8.94 per cent. The expense of registration in the State of West Virginia for the year 1922 will be reported at 18.7 per cent of the gross receipts. Massachusetts will report for the year 1922, gross receipts of \$5,620,916.63, with expense of \$648,725.90, or 11.54 per cent of receipts. The expense of the Florida Department is 3.96 per cent.

If the present system of motor vehicle registration is continued, a number of amendments are needed to iron out the rough places. For example, some provision should be made for dealers' demonstration tags, with proper safeguard to be included. The terms "for hire," "truck," and some others should be more clearly defined, and several provisions in the law not clear as to intent should have the phraseology made more specific. Provisions should be made for the transfer of the tags in the "for hire" series from one car to another, with proper adjustment as to

difference in weights. In the case of government service cars exempt from license, provision should be made for them to be registered and the tags furnished free. The number of series of tags might be greatly reduced and the weight strips entirely eliminated, which would result in considerable saving.

As a matter of information it might be stated that the total receipts from automobile licenses the last year the tags were handled under the old system by the counties (1917) amounted all told to \$128,277.75. Under State administration and distribution the receipts for last year was \$1,538,342.26. So far as I am advised, every State in the Union distributes the number plates from a central point through a State agency.

AUDITING

In combining the work formerly handled by State Auditors, with that of county finances in this department and imposing those duties upon the Comptroller at its last session, the Legislature did so without my suggestion or request, and should it see fit to return to the old method of auditing or form a separate department for that purpose, it will meet with no opposition from me.

A saving of \$12,604.77 for the year has resulted from this consolidation—that is to say, the combined expenditures of the old auditing department and the county finances during the last year of their existence was \$30,201.09, while that of the auditing branch of this office for the next year was \$17,596.32.

The auditing work has gone on as efficiently and effectively as before, the records of each and every county having been examined and audited within each annual period, and reports of the same filed with the county commissioners. Since the transfer to this Department reports of collections and shortages amounting to \$62,797.44 have been filed.

The law provides that one special State Auditor be appointed by the Governor, independent of any recommendation by the Comptroller, whose duty it is to audit this office. Such auditor has been appointed and has been constantly engaged in auditing the records of this office since his appointment, making reports thereof direct to the Governor. So the Comptroller's office has been more frequently audited during the eighteen months since the law went into effect than before.

BANKS

The number of State banks increased from 217 to 222 during 1922, their resources growing from \$105,775,781.05 at the close of 1921 to \$127,381,563.65 at the end of 1922, or a gain of 24 per cent. A splendid showing indeed, conditions considered, which speaks well for that great body of business men in this State who manage those institutions so capably, as a general rule. Four bank examiners keep me in touch with the conditions of the banks; two examinations of each bank being usually made during the year. The responsibility in making those examinations is great, and more compensation is recommended for bank examiners, who should receive at least \$3,000.00 per annum.

In addition to State banks, there are also many financial concerns or "near banks" operating and seeking public patronage in the State, that have sprung up in the past two years. These should be subject to examination and report to the Comptroller the same as State banks, for the public's protection, and at least two more examiners be provided for that purpose, else in the long run the public stands to lose some money.

BLUE SKY LAW

The business before the Foreign Investment Company Board, or "Blue Sky" commission as it is commonly called, is constantly increasing. This means that more and more schemes are being devised to separate the unsuspecting public from its good money. The letter of the law now only applies to those corporations offering stock for sale outside of their home counties. Many concerns are operating under "trust agreements." largely for the purpose of evading the law. Other instances are where individuals claim to own the entire capital stock of a corporation and demand the right to sell it without qualifying. The law should be amended and broadened so as to include all such cases. The fees provided to be charged, which go into the State Treasury, are entirely inadequate and do not compensate for the time consumed in the matter; in fact, they are much below those charged in other states. Now, each case requires that some time of the Attorney General, Comptroller and a clerk be given to it, and a fee of only \$5.00 is provided to be charged, whereas it should be at least \$20.00, with \$5.00 registration fee for each agent. Should the fees be increased as recommended, or even doubled, this Department would be more than self sustaining.

The expense of maintaining this branch of the work is very moderate indeed, being operated with only one clerk, who also performs other duties. In fact, the cost is under that of any other State having a commission, where it ranges from \$2,000.00 per annum in New Mexico and Vermont, the lowest outside of Florida, to \$133,920 in California, the highest.

GASOLINE TAX

The cent a gallon gasoline law enacted at the last session has been a revenue producer, though many thousands of dollars annually paid by consumers of gasoline on this tax never reach the treasury, because the statute applies to wholesale dealers of gasoline only—thus where gasoline is imported into the State by retail dealers and sold direct to consumers at retail, under the law no tax thereon is payable, although it is collected from the consumer.

The law needs amendment so that every cent of the tax paid will find its way into the treasury. This may be done by applying the tax as soon as the commodity has lost its interstate character and make it collectible from either wholesaler or retailer.

TAXATION

Perhaps the greatest problem that will come before the Legislature at its next session will be that of taxation—the most vexatious question that man has had to deal with since the tithing system prevailed in Biblical times.

Something should be done—taxes have reached the breaking point. For the ordinary needs of our rapidly developing State and the normal requirements of our growing institutions more revenue must be provided. Where is it to come from? How is it to be met? The answer to these questions will tax the ingenuity, wisdom and courage of those to assemble here next April!

In 1869 the method of requiring counties to contribute their proportionate share of the State expenses was adopted, but repealed shortly afterwards as unsatisfactory.

In 1871 a State Board of Equalization was created, consisting of a joint committee of eight from the Senate and House, to equalize the assessed valuation of real estate, which was discontinued in 1872.

In 1913 a State Tax Commission was brought into being, but abolished in 1918.

In 1921 a State Equalizer of Taxes was created under Chapter 8584, which law is still in force.

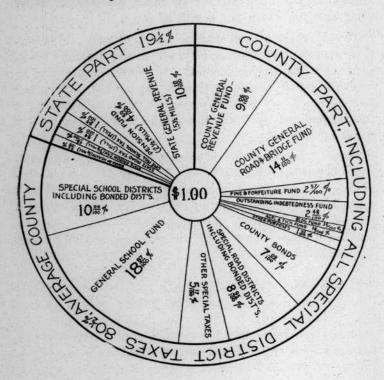

My observations are that no effort to raise valuations through a central State agency, under our present Constitution, will meet with success. To require property to be returned under penalties, though impractical, may bring partial relief. It is to be expected that the heavier the tax burden the more artful will the average tax dodger become.

Taxes should be levied on wealth, not industry, and ability to pay should be considered. The way to meet the situation, in my judgment, is to make taxes reasonable, which can only be accomplished under the system known as classification of property for taxation, which is in vogue in a number of other States. This can only be provided by constitutional amendment.

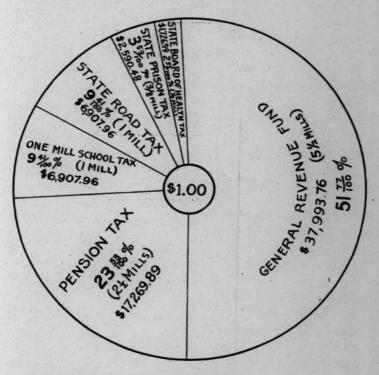

VALIDATING OUTSIDE TAX CERTIFICATES AND BACK ASSESSMENTS

There is urgent need for the passage of a law at the coming session validating the outstanding State tax certificates, else we stand to lose hundreds of thousands of dollars. Provision should also be made for back assessing personal property and railroad property the same as real estate.

Before leaving the subject I am submitting pictograms of a taxpayer's dollar in the average county of the State and the State's portion thereof.

State's portion of average tax dollar:

All of which is respectfully submitted.

ERNEST AMOS, Comptroller.

STATISTICAL TABLES

RAILROAD AND TELEGRAPH LINES

The annexed tables show in detail the assessment of Railroads and Telegraph lines, made by the Board, consisting of the "Comptroller, Attorney General and State Treasurer," created by Section 46, of Chapter 5596, of the Laws of Florida.

These are followed by statements showing the taxes assessed thereon. STATEMENT SHOWING THE LENGTH OF MAIN LINE TRACK, BRANCH, SWITCH AND SIDE TRACK AND THE ROLLING STOCK AND APPURTENANT SUPPLIES OF EACH RAILROAD IN THE STATE, AS SHOWN BY THE SWORN OFFICIAL RETURNS OF EACH RAILROAD, AND THE VALUATIONS ASSESSED THEREON BY THE STATE RAILROAD ASSESSMENT BOARD FOR THE YEAR 1922.

LETTER OF TRANSMITTAL

STATE OF FLORIDA. COMPTROLLER'S OFFICE.

Tallahassee, Fla., April 9, 1923.

Hon. Cary A. Hardee, Governor. The Capitol.

Sir:

I have the honor to submit herewith reports of the various State Auditors as to the result of their examinations of the following officers:

Secretary of State. State Treasurer.

Commissioner of Agriculture, including Shell Fish Commissioner.

Superintendent of Public Instruction.

Secretary of Internal Improvement Board.

Hotel Commissioner.

Live Stock Sanitary Board.

State Board of Health.

Florida State Hospital.

Florida State Farm. Florida Farms Colony.

Florida Industrial School for Boys.

Florida Industrial School for Girls.

University of Florida.

Florida State College for Women.

Deaf and Blind School.

Florida Agricultural and Mechanical College.

The office of the Comptroller being audited and checked by special auditor employed by your excellency, who has no connection with this office, is consequently not included

in the above reports.

The work in connection with the auditing of County offices is submitted in another report, but it might be well to mention here that each and every County of the State was examined and audited within each annual period, and reports of the same filed with the County Commissioners thereof at the time.

Respectfully submitted,

ERNEST AMOS, Comptroller.

SECRETARY OF STATE

Tallahassee, Fla., February 5, 1923.

Hon. Ernest Amos, State Comptroller, Tallahassee, Fla. Dear Sir:

\$1. 11111

I have just concluded a check of the receipts and remittances of the Secretary of State and submit herewith statement covering the calendar years 1921 and 1922.

The receipts of this office have materially increased during the past four years and I have advised a more complete system of accounts and Mr. Crawford has agreed to install a more complete system at an early date.

Statement of receipts deposited by Secretary of State H. Clay Crawford, to the General Revenue Fund during

the Calendar years 1921 and 1922.

STATE TREASURER

Tallahassee, Fla., Dec. 30, 1922.

Hon. Ernest Amos, State Comptroller, Tallahassee, Fla.

Dear sir:

On above date I concluded an audit of the office of State Treasurer, Hon. J. C. Luning, as of the close of business December 31, 1922, and respectfully submit herewith a detailed report.

BALANCE SHEETS.

J. C. LUNING, STATE TREASURER.

COMMISSIONER OF AGRICULTURE

REPORT ON OIL DIVISION—COMMISSIONER AGRICULTURE.

Tallahassee, Florida, March 15, 1923.

Hon. Ernest Amos, Comptroller, Tallahassee, Florida.

Dear Mr. Amos.

I beg to submit herewith report on the Oil Division of the office of Commissioner of Agriculture.

The receipts of the office from the various Companies shipping Oils, Gasoline, etc., into the State of Florida are monies received for Stamps covering Inspection and the Companies in most instances anticipate their sales by purchase of stamps. Gallonage is reported monthly by the Companies to the Commissioner of Agriculture and stamps to the amount of gallonage returned cancelled. The report on gallonage therefore will not correspond in any given year with the amount of receipts.

It appeared that cancelled stamps have not heretofore, been checked up in connection with an audit of the office in connection with the Oil Division work. I took a little more time in this department and made an audit of the cancelled stamps as compared to the reports of the Companies on the amount of gallonage and had the office to send out verification letters to the various companies as to amount due by them or amount of stamps still on hand and unused as the case occasioned. This gives a starting point for each succeeding audit and will enable the office to determine each year whether or not the companies reporting are giving to the State the amount due in accord with law and furnishing the cancelled stamps for gallonage shipped into the State.

I am therefore giving statement of statement for the year 1922 as heretofore has been the custom, and then statement showing status of accounts for the period covered by the operation of the law to December 31st, 1922.

As stated, there was no way to determine whether the

State was receiving the amounts due under the law without such an audit, and the statement herein shows that such audit was necessary, and several of the companies have paid amounts found to be due by them.

The following is a statement of Gallonage, amount of

Tax and receipts for the year 1922:

Company.	Gallonage.	Tax.	Receipts.
Standard Oil Co., Fla.		\$ 52,730.97	\$ 52,084.69
Standard Oil Co., Ga.		21.11	21.33
Standard Oil Co., Ala.		118.52	128.50
Gulf Refining Co		31,048.04	30,500.00
Texas Oil Co	.11,182,250	13,977.81	13,500.00
Atlantic Oil Co		7,366.45

M. A. DOVELL & SON.

Year. Gallonage. Tax. Stamps Rtd. Receipts. 1921 8,096 10.12 10.12 10.12

The monthly statement as made up by the Oil Division do not check up with the figures above stated for the companies for reason that in some instances the report or statement is made up before all the reports are in and also numerous errors were found in these statements as compared to the actual gallonage reported as handled by the com-

panies reporting.

There has not heretofore been kept any record of the stamps returned cancelled by the companies but the stamps have been kept as near as practical in the original package in which they were received and filed away. I have recommended such record to be kept in the future and a detail check made against the gallonage reported and the money sent as well in order to keep the companies up to date with their payments and reports.

Other records of the office are kept in a very satisfactory manner all of the work in this department being handled by one man who also has supervision of the inspectors and

their work.

Note Stamps sent the Citizens Oil Company in July and in August covering two cars have been received. Payment was made but stamps should have been cancelled and re-

turned as correspondence shows was requested.

Note Standard Oil Co. of Georgia cash receipts in report of receipts shows .12c less than amount shown in reconcilement of their reports with stamps returned and money paid. This .12c was sent in postage stamps to balance an error in report as is shown by correspondence and was used by the Oil Division in their postage account.

Respectfully submitted,

(Signed) W. S. MURROW, Auditor State and County Finances.

LAND SALES

Tallahassee, Florida, Feb. 20th, 1923.

Hon. Ernest Amos, Comptroller, Tallahassee, Florida.

Dear Mr. Amos:

I herewith submit report on examination of Land Sales through office of Commissioner of Agriculture.

REFUND ACCOUNT PRESENT ADMINISTRATION.

Dr.	Cr.
Balance in Bank, January 1st, 1922\$ 73.52	
Outstanding checks	\$ 7.30
Refunded account Error 3.00	
Receipts during year 175.48	
Refunded during year	242.60
Error Ck. No. 918 paid for 65c should	
have read 40c	.25
Bank Balance Dec. 31st, 1922	13.33
Checks Outstanding 11.48	
\$263.48	\$263.48

In this account the error of 25c has since been deposited, leaving the sum of \$2.10 not yet refunded December 31st but refund checks have also been drawn to cover.

Note the Old Account shows checks outstanding of \$23.99, practically all of which are more than two years old. If none of these are paid by the close of this current year I would suggest stop payment and the amount transferred to License account for credit to State.

Respectfully submitted, W. S. MURROW,

Auditor State and County Finances.

STATE SUPERINTENDENT OF PUBLIC INSTRUCTION

Tallahassee, Fla., March 16, 1923.

Hon. Ernest Amos, State Comptroller, Tallahassee, Fla.

Dear Sir:

I have concluded an examination of the funds handled by the State Superintendent of Public Instruction since last audit to December 31st, 1922, and respectfully submit report hereto attached.

Respectfully submitted, LEROY CAMPBELL, State Auditor.

TRUSTEES OF INTERNAL IMPROVEMENT FUND

Tallahassee, Fla., January 25, 1923.

Hon Cary A. Hardee, Chairman, Trustee to the Internal Imprivement Board.

Dear Sir:

I have completed my audit of the receipts and disbursements from the records kept by the Secretary which were very unsatisfactory; the system is more in the nature of a memoranda than a complete and permanent detail record from which an intelligent audit could be made.

The method of reporting and accounting for redemptions of Dainage tax certificates is incomplete and does not pro-

duce the best results.

The original reports made by the Tax Collectors should be placed in binders and all reports of redemptions made throung the Clerk of the Circuit Court should also be bound and every redemption be entered upon the report of the Tax Collector: There should be a detailed account kept with each Tax Collector and it should be posted up to date at all times but I find that no such acounts are kept. No entires have been made of redemptions reported

for October, November and December, 1922.

In my examination of the contingent fund I found that in February 1922 the Secretary advanced \$100.00 to Mr. W. A. McRae for expenses covering a trip to the drainage districts in the Everglades, but for some reason Mr. Me-Rae did not make this trip until October of the same year. He rendered an expense account dated November 1st, 1922, and a warrant was issued dated November 7th, 1922, which was indorsed and his personal check given to cover the difference in order to reimbusre the contingent fund for the amount advanced him nine months prior.

I found two warrants that had been paid without being endorsed as follows: No. 4598, T. J. Appleyard, \$4.75, and

No. 4706 T. J. Appleyard, \$17.40.

The following is a detail of exceptions on the Drainage Certificates:

All collections for hotel and restaurants license issued have been propertly accounted for and remittances to State Treasurer have been made as indicated above. The Department makes comprehensive report to the Treasurer each month showing collections, etc. A copy of this report is kept on file in the office. A book for the recording of each bill by number and amount under proper headings has been recommended and the Hotel Commissioner assures me such book will be installed.

Respectfully submitted, LeROY CAMPBELL,

State Auditor.

STATE LIVE STOCK SANITARY BOARD

Tallahassee, Florida, January 25, 1923.

Hon. Ernest Amos, State Comptroller, Tallahassee, Fla.

Dear Sir:

I have concluded an examination and audit of the State Live Stock Sanitary Board, and submit herewith my report.

The funds of the Board have been economically expended, and Dr. J. V. Knapp, the State Veterinarian and head of the Department, is evidently a good executive and well qualified to render invaluable service to the State. I have advised that certain changes in the accounting system of the Department be adopted with a view to establishing a permanent and concise record of each account.

The following is a statement of the funds of the Department as of close of business December 31, 1922:

STATE BOARD OF HEALTH

Jacksonville, Florida, January 31, 1923.

Hon. Ernest Amos, State Comptroller, Tallahassee, Florida.

Dear Sir:

I have just completed my examination and audit of the records and accounts at the State Board of Health, and beg to submit the following report. I found the accounts in balance with statement rendered from your office as of December 31, 1922, and I must compliment Mr. Dozier, the Auditor, on the excellent system and method of accounting in his office. I also found all the records kept in the same manner.

I am enclosing copy of statement compiled as of December 31, 1922, covering period of twelve months which will furnish you all the information as to receipts and disbursements necessary.

Yours very truly, (Signed) J. W. Stephens, State Auditor.

THE ADJUTANT GENERAL

St. Augustine, Fla., March 21, 1923.

Honorable Ernest Amos, Comptroller. Tallahassee, Florida.

Dear Sir:

I have just completed the audit and examination of the accounts and records of the State Military Department.

I find the Contingent Fund has been properly accounted for and the balance proved to be correct by bank statement.

The property records are kept up to date and an accurate accounting of all property stores have been recently proven. Great care is being exercised to protect all State and Fed-

eral property in store rooms.

When Major John L. Crary, United States Property and Disbursing Officer retired from the State Arsenal and on submitting his property accounting there seemed to be a shortage of \$22,828.52, General Foster, is getting property accounting from all commands and checking back with the records in his office and he thinks that a portion of this shortage will be accounted for in this way.

The Major did not render any accounting to the Federal Government covering cash received by him from the sale of

obsolete and condemned property.

General Foster has a very efficient force in his office at present and I do not think that a repetation of the past will ever occur.

> Youse very truly, (Signed) J. W. Stephens, State Auditor.

STATE ROAD DEPARTMENT

Tallahassee, Florida, January 12, 1923.

Hon. Ernest Amos, Comptroller, Tallahassee, Florida.

Dear Mr. Amos:

I beg to submit a report of my audit on the accounts and records of the State Road Department.

You will note the attached consolidated statement showing amounts expended in each county analyzed, also amounts not distributed to counties.

I will also call attention to the amount expended for traveling, it is excess as most of the District and Resident Engineers are furnished automobiles by the Department.

I find that the five districts and a few of the resident Engineers have a contingent fund under their control ranging from \$200.00 up, none exceeding \$700.00, but not one of them are bonded. Judge H. B. Phillips, Chairman, advised that the matter had been considered by the Board and some action would be taken at the meeting on the 25th of this month.

The Department has not taken a physical inventory of supplies and equipment on hand therefore no adjustment of value caused by loss in the destruction of a storage house at Youkon by fire.

I found the records in the accounting department more

comprehensive than those I audited last year.

The Department has no fire insurance on the equipment and supplies in the supply station.

Respectfully submitted.

J. W. STEPHENS. State Auditor.

FLORIDA STATE FARM

Gainesville, Fla., February 5, 1923.

Hon. Ernest Amos, Camptroller, Tallahassee, Florida.

Dear Sir:

I beg to submit a report of my audit and examination of the accounts and records at the Florida State Farm, Rai-

ford, Florida, as of December 31st, 1922.

I found the accounts and records neatly and correctly kept up to date, the office manager, Mr. Luck, takes great pride in keeping comprehensive records and I take pleasure in complimenting him on same.

The sanitary conditions in and around the prison quar-

ters are perfect.

The following is a statement covering the finances and other details for the year 1922.

RECEIPTS:

cember 31, 1922	\$358.80
Monthly per capita cost	19.93 1/3
Daily per capita cost	.66.44

This cost could be reduced if the Colony could have milch cows and bakery, as it is very necessary that the inmates have abundance of milk that they are not getting now on account of the cost, the Institution uses on an average one hundred loaves of bread daily. The kitchen is at this time very congested and should be enlarged.

Very truly yours, (Signed) J. W. STEPHENS, State Auditor.

INDUSTRIAL SCHOOL FOR BOYS

Tallahassee, Florida, March 23, 1923.

Hon. Ernest Amos, State Comptroller, Tallahassee, Fla.

Dear Sir:

I have just concluded a check of the accounts of the Florida Industrial School for Boys at Marianna and respectfully submit a statement of the Incidental Fund beginning at close of last audit July 27, 1922, to the close of business March 20, 1923. Also a statement of the expenditure from the Appropriation made by the Legislature of 1921 and the balances in the funds on February 1st, 1923.

Respectfully submitted, LEROY CAMPBELL, State Auditor.

INDUSTRIAL SCHOOL FOR GIRLS

Jacksonville, Florida, February 13, 1923.

Hon. Ernest Amos, Comptroller, Tallahassee, Florida. Dear Sir:

I have made the examination and audit of the records and accounts at the Industrial School for Girls at Ocala, Florida, and beg to submit the following report.

The records are kept correctly and up to date, all re-

ceipts was accounted for.

The per capita cost including all over head is \$44.59 per month and about .09c per meal.

The sanitary conditions in and around the buildings are

perfect.

The farms have been much improved since my last visit. Yours very truly,

> (Signed) J. W. Stephens. State Auditor.

UNIVERSITY OF FLORIDA

Gainesville, Florida, February 8, 1923.

Hon. Ernest Amos, Comptroller.

Tallahassee, Florida.

Dear Sir:

I have completed the audit and examination of the accounts and records at the University of Florida, Gainesville, Florida, as of December 31, 1922, and beg to submit a report on same.

I found the accounts and records in Mr. Graham's department neatly and correctly kept up to date, and he has installed a voucher system in disbursing the proceeds from the Mess Hall properly approved by the Auditor and President.

The following will show the total receipts, disbursements and average in connection with the Mess Hall and the students per capita cost.

MESS HALL.

Yours very truly,
(Signed) J. W. Stephens.
State Auditor.

FLORIDA STATE COLLEGE FOR WOMEN

Tallahassee, Florida, March 15. 1923.

Hon. Ernest Amos, State Comptroller, Tallahassee, Fla.

Dear Sir:

I have just concluded an examination and check of the accounts of the Florida State College for Women and re-

spectfully submit my report hereto attached.

The business of the college is conducted as conservatively and economically as the continuous demands for expansion and better facilities will permit. The office of the college treasurer is conducted in a business like way; the several accounts are neatly and accurately kept; all receipts, disbursements and refunds are properly recorded. Bank balances and securities for bank balances have been verified.

Hereto attached is statements showing receipts, disbursements, refunds and balances on March 1, 1923.

Respectfully submitted.

LeROY CAMPBELL, State Auditor.

100 Pecan trees planted and growing.

1 Mule barn and implement shed attached.

1 Corn barn and crib.

1 Old barn and implement shed.

DEAF AND BLIND SCHOOL

Jacksonville, Fla., October 25, 1922.

Hon. Ernest Amos, Comptroller, Tallahassee, Fla.

Dear Sir:

I have made a complete examination and audit of the records and accounts of the Deaf and Bling School at St. Augustine, Florida, and beg to submit the following report.

I found a correct accounting of all funds collected from pay inmates and the remittance of these funds to State Treasury.

All records of the school are neatly and intelligently

The sanitary conditions in and around the buildings are

one hundred per cent.

The inmates are accomplishing wonderful things in weaving rugs, crochet and knitting, sewing, cooking, laundry, ironing, renewing cane seats and backs in chairs, repairing all kinds of furniture, making brooms, operating printing press and linotype machines.

Yours very truly, J. W. STEPHENS, State Auditor.

FLORIDA AGRICULTURAL AND MECHANICAL COLLEGE FOR NEGROES

Tallahassee, Fla., March 31, 1923.

Hon. Ernest Amos, State Comptroller, Tallahassee, Fla.

Dear Sir:

On above date I concluded an examination and check of the accounts of the several funds of the Florida Agricultural and Mechanical College for Negroes, located at Tallahassee.

A statement of the receipts and disbursements of the Boarding account and the Incidental fund together with the State and Federal appropriations is herewith submitted. The balances in the Federal and State appropriations and the Incidental Fund have been verified by the Comptroller's books and the balance in the Boarding fund has been verified by the Lewis State and Capital City Banks.

Respectfully submitted,

LEROY CAMPBELL, State Auditor.
